

Radiografías bucales

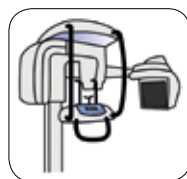

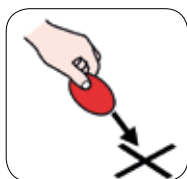

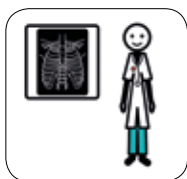

3

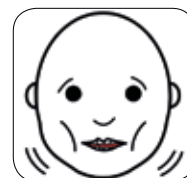

Entro en la consulta y me siento en la silla del dentista

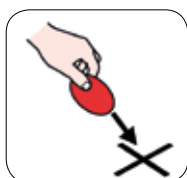

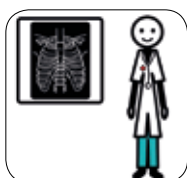

El/la profesional me pone un chaleco protector en el cuerpo

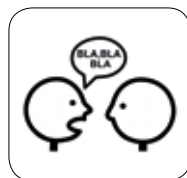

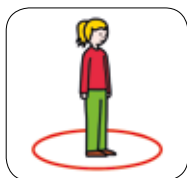

El/la profesional pone la plantilla en el aparato de radiografías

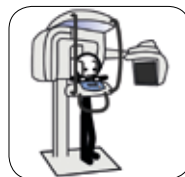

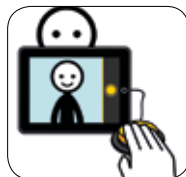

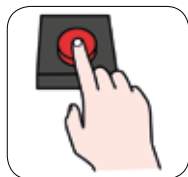

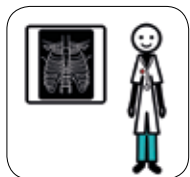

Yo abro la boca y muerdo la plantilla

El/la profesional pone la máquina de radiografías cerca de mi boca

Yo espero sin moverme hasta que me avise el profesional

El/la profesional le da al botón y hace la radiografía

Nos despedimos y salimos de la consulta
